REPORT OF AUDITING COMMITTEE
 WYOMING STATE BAR

Powell, Wyoming
 September 6, 1961

The undersigned auditing committee of the Wyoming State Bar reports that it has examined the books and records of the Treasurer of the Wyoming State Bar covering transactions from August 1, 1960, through July 31, 1961.

We have checked all receipts against deposits and find them correct with the following exception:

One check for \$10.00, receipt number 5992, is being held and has not been included in income pending receipt of the balance of \$10.00 due for the license fee for which such check was tendered.

All expenditures have been made by check, signed by both the President and Secretary-Treasurer.

The bank balances have been verified and the bank account reconciled. We find that the Treasurer's Report for the period August 1, 1960 to July 31, 1961, reflect the operations of the Bar and that they properly show the financial condition of the Bar.

We recommend that the Treasurer's Report for the fiscal year 1960-61 be approved.
