REPORT OF THE COMMITTEE ON ADMINISTRATIVE  
PROCEDURE LAW

The Committee on Administrative Procedure Law during the past three years has been concerned with the drafting of a proposed Administrative Procedure Act for the State of Wyoming. During the past year the Committee was enlarged by adding seven additional members in order to reflect varying viewpoints, both functional and geographical. The drafting process has benefited considerably from the additional viewpoints now available to the Committee. Copies of a preliminary version of the Proposed Act with a brief explanation of its content have been made available to all members attending this Convention. A copy of the proposed Act reflecting the revisions recommended by the Committee is attached to and made a part of this report.

The Committee recommends the approval by the Wyoming State Bar Association of the proposed Wyoming Administrative Procedure Act, a copy of which is attached to this report, and authorization to the Committee to present same to the 1965 session of the Wyoming legislature and to take such steps as are necessary or desirable in an effort to have same enacted into law.

Mr. Jerry Housel  
President, Wyoming State Bar  
Cody, Wyoming  
Dear Mr. Housel:

The Bill of Rights Committee has functioned this year primarily by appointing one lawyer from each county to promote special activities by the local Bar Association for Law Day U. S. A. Many appropriate activities were sponsored throughout the State to make Law Day U. S. A. meaningful to students, citizens and lawyers.

Respectfully submitted,

BILL OF RIGHTS COMMITTEE
